

Cloudify your printing solutions with **Printix & ORdigiNAL**

Launching April 1st, 2024 in Germany, Austria and Switzerland.

ORdigiNAL is pleased to announce the launch of Printix, a leading provider of secure cloud print management solutions, into the DACH region (Germany, Austria, and Switzerland) on April 1st, 2024. Printix, in collaboration with ORdigiNAL, a trusted IT solutions provider, offers a comprehensive suite of services designed to streamline printing workflows and enhance productivity for businesses of all sizes.

Printix is a robust cloud-based infrastructure, eliminating the need for on-premise servers and facilitates a secure and scalable printing environment. Users can seamlessly print from any device, at any location, to any Printix-managed printer. Additionally, Printix automates the management and updates of printer drivers, so a consistent and reliable printing experience for all users is ensured, while eliminating the burden of manual updates.

When choosing ORdigiNAL we complement Printix by offering extra services such as:

- Go Client (Follow Me) Support: allows users to print to the most convenient printer.
- Basic Capture Support: scanning of documents made easy with direct transmission to Microsoft solutions.
- Advanced Capture & Workflow Support: saving valuable time and resources.
- Printix SDK Connector development, integrate Printix seamlessly with existing applications.
- Local data hosting options to address specific data security requirements.

Unique about ORdigiNAL is dedicated in-house helpdesk support, ensuring that you receive comprehensive and responsive assistance with any questions or issues they may encounter while using Printix. We are happy to help you with whatever situation you might encounter.

Test 30 days for free!

- ☁️ Cloud-Based Infrastructure
- 🖨️ Print from anywhere, even home
